22-23 Fee - Online Payment Option

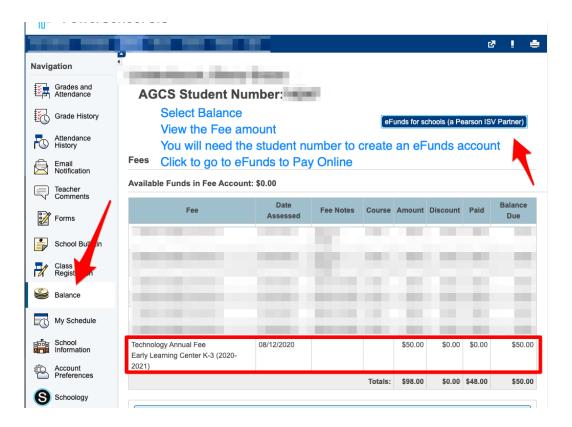

The Avon Grove School District School is pleased to introduce a new platform called *e~Funds for Schools*. This program offers various options for parents/guardians who *choose* to make payments online and is extremely user friendly. The *e~Funds for Schools* service is offered to you by a third party service provider and they charge for processing your payment(s), similar to other online banking services. The district does not request or keep records of family checking or credit card account information.

The $e\sim Funds$ for Schools electronic payment service is provided to the school by a third party service provider. The service provider has a nominal fee for their service. There is a \$1.00 transaction convenience fee for each electronic checking payment that you make. The system carries a Non-Sufficient Funds (NSF) charge if the payment is "bad." For payments made by credit or debit card, there is a convenience fee of \$2.65 per each \$100 increment in the transaction. When you set up your account, please review your options carefully.

You are in full control of your account and can make a payment at any time that is convenient for you. No payments will be allowed without your knowledge and authorization through this secure payment system. By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item, will be sent to you each time that a payment is to be processed. The *e~Funds for Schools* site is secure and uses industry standard data encryption.

Login to AGCS Powerschool Parent Portal to see Fee Amount, Student Number and a link to eFunds
