## Spring Athletics Preview

### SOCCER

Girls Soccer is getting ready to "kick off" their season after being delayed a year. There is so much to look forward to and the ladies have been working hard over the past two weeks. This team has talent, experience, and confidence coming into the season. Head Coach, Fallon Puppolo, has a strong resume and a ton of passion for the game of soccer. Senior Lily Aufenkampe leads a talented roster who are looking to create a successful program with a bright future. Our first game is against Harford Christian at home (Harmony Park) next Friday (3/26) at 4:00pm. Go Wolves!

### LACROSSE

Our AGCS Wolves Lacrosse team is ready to take the field. It's been a long time coming, but the team has been working hard and they are excited to get going. Led by captains, Jayden Mazza, James "Mad Dog" Clark, and Steven Thornton the boys are prepping for their first ever game against the Avon Grove High School JV team this upcoming Thursday (3/25). Head Coach, Joe Martinelli, has great experience in the game and building programs from the ground up. He knows what it takes and we are so excited to see this program develop for years to come. Look for more information coming soon about how you can support the team.
