Winter Sports Wrap-Up

BASKETBALL

The boys finished their season on Saturday with a loss to Aquinas in the MIL Consolation Game. The team was running with a thin roster and fought hard but couldn't come away with the victory. Josh London was named to the MIL Tournament Team. On Tuesday (2/18), #4 seed AGCS opened up the MIL playoffs with a game against #5 seed FCA. AGCS pulled away in the second half with strong games from Josh London and Nasir Masih. The boys won their first playoff game 46-44. The boys had to travel to #1 seed Tri-State on Thursday (2/20) and gave the best team in the MIL a scare. However, AGCS was over matched and fell to the 2020 MIL Champions.

CHEERLEADING

The AGCS Cheerleaders had a successful season cheering on the boys basketball team. We traveled to 16 games this season, including two playoff games, and were able to celebrate 4 exciting wins! Captains Lulu Pieri, Sarah Milly, and Corinne Reeves led the squad as we cheered on the boys with cheers, chants, and stunts. Anja Donskey was our star tumbler during timeouts. The cheerleaders performed a special halftime routine on senior night with Jordyn DeFrank, Keira Butler, Abby Keller and Alexis Himelright high in the air. It was a great season to be part of the Wolfpack!
